Guidelines For Abstract Submission: The abstract of about 300 words must include the purpose, methodology, major findings of the research, originality and the keywords. It should be typed using Times New Roman 12 point for body text; 1.5 spaced. The Title page should include Title, Authors(s), Affiliation(s), and Contact Details.

About the Institute

JIIT, Noida, plays a vital role in shaping professionals with strong human values while promoting contemporary and futuristic research. Established within a premier institution accredited with NAAC 'A' grade and NBA (2024–2027) for B.Tech, JIIT is consistently ranked among India's top private institutes and is renowned for academic excellence, interdisciplinary learning, and top placements with leading global companies.

With its vision to be a centre of excellence, the HSS Department is committed to providing socially relevant, high-quality education, conducting impactful research in diverse areas, and fostering pluralistic, democratic, and egalitarian values. Through its interdisciplinary approach and integration with JIIT's advanced facilities and global collaborations, the department contributes significantly to academia, research, and the holistic development of students.

About the Conference

The ICHSM-2026: Redefining Humanities, Social Sciences, and Management in the Digital Age is envisioned as a significant platform for scholars, researchers, industry professionals, and policymakers to explore the far-reaching impact of digital technologies on diverse fields. For the academic community, the conference will present an opportunity to engage with innovative research, adopt emerging pedagogical approaches, and build collaborative networks that transcend traditional disciplinary boundaries.

From the industry's perspective, the event will offer deep insights into the evolving patterns of consumer behaviour, transformations in financial ecosystems, shifts in workplace management, and changes in regulatory landscapes. By creating a bridge between research and practice, the conference aspires to deliver practical and sustainable solutions to contemporary challenges, thereby driving inclusive growth and progress in the digital age.
